

values check

See how the Values Check lens can help you improve your paintings!
The green acrylic lens turns colors to shades of gray value tones.
This helps you see the composition of your painting better.

This durable cast acrylic lens is distortion free and shaped to be easily held close to your face. It comes with a leather cord so it can be tied around your neck for convenience.

Size is 2 3/4" H x 5 3/4" W x 1/8" Thick

US retail cost is \$12 each including shipping and sales tax.

International shipping add \$6.00 USD

Values Checks will be shipped USPS First Class.

You may pay through PayPal
